Friends of Rathdrum Mountain (FoRM) MEMBERSHIPS

Various contribution levels are available for you to demonstrate your commitment to preserving the natural beauty of Rathdrum Mountain.

All members receive periodic updates, a FoRM window decal, and invitations to special events.

Individuals & Families

GOOD FRIEND - \$25

This level gives everyone the opportunity to be part of our efforts on the Mountain: You can be proud to know that you've helped pay for the many expenses we incur in reaching out to the community to "pass the word" on the important work that we're doing and that has yet to be done. By stepping up to the plate in this manner, you can demonstrate that you are, indeed, a good friend!

CLOSE FRIEND - \$100

At this level we know that we can count on you to provide a significant boost to our campaign to keep the mountain free from development so the entire community can enjoy the beauty that is Rathdrum Mountain. As we prepare ourselves for the opportunities (and expenses!) of land conservation, this level shows your true colors as nature's close friend! You'll also receive advanced notice of all FoRM events.

BEST FRIEND - \$500

You know that a best friend is a rare and treasured find, and this is no different. This very special friendship means we can level the playing field with would-be developers for which funding is necessary to present a singular, credible voice for the community. Your participation at this level shows that you realize a one-for-all, all-for-one effort is only possible when you have your best friends at your side! Participants at this level will also receive VIP treatment at all FoRM events.

Each of the above contribution levels can be renewed on an annual basis to maintain your membership in good standing. But there's one more level that demonstrates the greatest commitment to preserving the majesty of Rathdrum Mountain...

LIFE-LONG FRIEND

Businesses & Organizations

SPRING CREEK CLUB - \$100

As a token of appreciation for your participation at this business-based side of the Good Friend level, you'll receive a "Spring Creek Club" plaque that you can proudly display to let your customers and supporters know that your investment in our community goes beyond "the bottom line." You'll also be listed on our web site and receive advanced notice of upcoming events.

CEDAR GROVE CLUB - \$500

In addition to the benefits listed above, a custom made "Cedar Grove Club" plaque will be presented to signify your commitment. Your participation at this level will also earn you VIP treatment at all FoRM events. Plus...our web site will carry a link to your business or organization web site so all of our Friends and visitors will have easier access to your products and services.

SUMMIT CLUB - \$1000

Now we're talking serious commitment!

Not only does this level include all of the above benefits, but your business or organization will also be highlighted in our three local newspapers when we publicize the excellent support you provide. The "Summit Club" plaque awarded at this level will let the community know that you've reached the summit as a supporter of our efforts to preserve the mountain area, and that you realize the Rathdrum area's quality of life and economic strength is firmly rooted on those forested lands.*

OVER-THE-TOP CLUB

This is for the few that can truly dedicate themselves to ensuring the Mountain will remain in its natural state for generations to come. Just as the Mountain itself has stood the test of time, a legacy of financial support will enable us to overcome the challenges that stand before us. Your extraordinary generosity at this level will ensure the continued viability of our programs and will deserve extraordinary recognition, or, if you prefer, protection of your privacy. In either case, contact one of our Directors to discuss your gift of an annuity or bequest because, as you know, there is nothing, ever, like a life-long friend!

At this level, designed to accommodate our most dedicated supporters, you can choose to participate in a very public recognition program or to remain anonymous. Whatever you decide, your "Over-the-Top Club" plaque will be one of a very few...which is only fitting to signify the unique nature of this level of support. As with the corresponding Life-Long Friend level, any one of our Directors can discuss the details of your contribution with complete discretion. There is no other way to describe your business' or organization's support at this level than, well, Over-the-Top.
